X. AWARD OF BRONZE STAR: By direction of the President, under the provisions of Army Regulations 600-45, dated 22 September 1943, as amended, the Bronze Star Medal is awarded the following named personnel:

CLARK F. SHAULIS, 02000079, 2d Lt (then S Sgt), Inf (Armd), Army of the United States. For heroic achievement in Luxembourg on 24 December 1944, in connection with military operations against an enemy of the United States: During an engagement with the enemy on 24 December 1944, the tank in which Lt Shaulis served was strafed by enemy aircraft, wounding a member who was on the outside of the tank. Members of the crew, seeing the helpless condition of the injured soldier began to dismount from the tank to assist him when enemy planes suddenly strafed again. Several attempts were made to reach the wounded man but were unsuccessful due to the fire of the harassing planes. With total disregard for his own safety, Lt Shaulis left his place of security and succeeded in reaching the injured man, and despite the continued strafing, moved him to a place of safety. His bravery, resourcefulness, and sincere devotion to duty exemplify the finest traditions of the armed forces of the United States. Entered military service from Pennsylvania. *Keener DEC*

XI. AWARD OF AIR MEDAL (OAK LEAF CLUSTER): By direction of the President, under the provisions of Army Regulations 600-45, dated 22 September 1943, as amended, in addition to the Air Medal and four bronze Oak Leaf Clusters previously awarded, a Fifth bronze Oak Leaf Cluster is awarded the following named personnel:

CHARLES S. RITCHEY, 01184426, 2d Lt, FA, Army of the United States. For meritorious achievement in France and Luxembourg during the period 9 December 1944, to 6 January 1945, as an Artillery Aerial Observer in successfully completing the required number of sorties while participating in aerial flight in connection with military operations against an enemy of the United States. Entered military service from Oregon.
