

The New Jersey Linux User's group would like to announce the presentation of the film "Revolution OS" at the Darress Theatre in Boonton NJ on Wednesday, March 31st 2010.

"REVOLUTION OS tells the inside story of the hackers who rebelled against the proprietary software model and Microsoft to create GNU/Linux and the Open Source movement."

The movie will be shown at 7:30 pm with a brief question and answer session afterward. With the permission of the director, The showing is free of charge, but there will be a collection (amount of your choice) to cover the costs of the theatre. All additional proceeds will be donated to the Electronic Frontier Foundation and the Free Software Foundation.
